President's Message

President Nancy Ginocchio
Nancyginocchio@comcast.net

Thank you all for the tremendous success of the potting party. I especially would like to thank Dick Pippen for his excellent talk on what makes an orchid an orchid. Thank you also goes to Dick again, Norm, Marilyn Moser, Kit Kitchen Moran, Kris Morton and Frank Ginocchio for all their help in preparing the plants for potting. They worked very hard lugging the pots and all the plants.
As I promised following are the recipes for the corn dip and the chicken tetrazzini from the dinner after the show judging.

Corn Dip
1cup sour cream
1cup mayo
2 16 oz. bags frozen sweet corn(I used Bird's Eye yellow and white mix corn)
2 8oz. bags shredded Mexican 4 cheese
2 green peppers
2 red peppers
2bundles of scallions
1-2 bunches cilantro
Season to taste with cumin and cayenne

Finely chop peppers and cilantro, also scallions including most of the greens. Mix all ingredients together and refrigerate for several hours. It is tastier if made early in the day or even the day before. Take out of refrig. For a while before serving so it is not too chilled. Serve with scoops or lime Doritos.

Chicken Tetrazzini
¼ cup butter
¼ cup of flour
1 tsp. salt
¼ garlic salt
1/8 tsp. white pepper
2 cups milk
2 cups half and half
2 chicken bouillon cubes
1/3 cup sherry
2/3 cup shredded Parmesan cheese
1 8oz. package thin spaghetti(cooked and drained)
2 cups cooked chicken meat(cut into cubes)
1 can (3oz.) sliced mushrooms(undrained)

Melt butter. Blend in flour,salt,garlic salt and peper. Add milk,half and half and bouillon cubes. Cook stirring constantly until thick and smooth. Add sherry, 1/3 cup Parmesan cheese, spaghetti,chicken and mushrooms. Stir carefully!!
Pour into shallow 2Quart casserole. Sprinkle with remaining Parmesan cheese. Bake in oven 375 until hot and bubbly 20 to 25 minutes. Yield 6-8 servings!!

I hope you all enjoy! If you did not get a chance to work at the show and attend the dinner ….start planning for next year. The show is March 18,19 and 20th, 2011.

The next NOS board meeting is at 7pm on the 20th of April at The Ginocchio's.

NOS Library and How to Use It

Yes, NOS has quite an extensive library which is housed at the home of our librarian Ted Moore. Ted has a list of the books that are available. If you are interested in a specific book tell Ted and he will bring the book to the next meeting. Should you decide that you would like to read your selection you can check it out and return it at the following meeting. This gives you a month to absorb what it has to offer.

Three books that come to mind as a must read are:

1. Orchid Society of South East Asia "Orchid Growing in the Tropics" This book covers general care of orchids. ISBN 981 204 103 7 Price: Around $36.

2. Martin Motes, "Growing Orchids Southwest Florida" This book gives information about orchid care in a warm climate. ISBN 978 0 96743433 Price: $19.95 $15 to NOS members

3. Laurel Glen Publishing, "Botanica's Orchids" This is a reference book giving specific information about 1200 various orchids. Each orchid is pictured. ISBN 1 57145 721 6 Price: $24.95 (A good book to take along when shopping for orchids.)

The above article is specifically for our new members.

Caring and Condolence Notice

A get well card was sent to Norm Dolder, Program Chairman and Second Vice President. He was recently hospitalized for an appendectomy.. Dear Norm, We miss you. Please get well soon.

AOS Corner

Marilyn Moser, AOS Representative
MM3PURPLE@AOL.com

How glad are we to finally be experiencing warm, sunny weather?? It makes our orchids so very happy and we are rewarded with new growth and big buds and awesome blooms…finally. even the phals are working hard to open and display their lovely flowers. A nice rain on Sunday filled up my rain buckets and I could just see all my orchids smiling with the drenching rain.

I had family here for a visit and we went to the Naples Botanical Garden (my first time). I was very impressed with how well it is done. Plants and trees have name labels. My grandsons thoroughly enjoyed the children's gardens. The place is very clean and nicely laid out. If you haven't been there, I encourage you to visit. And best of all, I got in free by showing my AOS membership card as the Botanical Garden is one of many, many reciprocal gardens. Remember, I always have AOS applications at every meeting.

Questions and Answers

Q: Can I combine my fertilizer with my fungicidal spray?

A: This is not a good idea beause any phosphorous can bind up most of the trace elements, especially in Florida water, which is highly alkaline. In addition, it can decrease the effectiveness of the fungicide.
