

Registration Process for Individual Plants and Exhibits

1. Arrive at the Hallway adjacent to the Registration Area with the individual plants and exhibits that you wish to register at that time. There will be tables in this location for your use.
2. Take a numbered card, which indicates your **Line Position** for registration. Additional visits are allowed; however, a new **Line Position** number will be necessary for each subsequent visit.
3. Fill out **Green Tag(s)** for each of your entries in accordance with the Guidelines and Regulations specific for each Class and Award.
4. When your **Line Position** number is called, enter the registration area with your individual plants and exhibits.
5. Submit your **Completed Green Tag(s)** to the Registration Clerk for **Verification**.
6. Present your individual plant or exhibit to the Registration Clerk when asked.
7. Each **Verified and Registered Green Tag** will be handed to you, at which time you may place your individual plants and exhibits on the Show Floor and hang each **Green Tag** according to individual plant and exhibit identification guidelines.
8. The **Spotter** will guide you to the proper location for individual plant and exhibit placement.

THERE ARE THREE CATEGORIES OF ORCHID CUT FLOWER ARRANGEMENTS:

- A-1. Arrangements with **one single orchid flower** (any genus; an example would be a single Cattleya flower)
- A-2. Arrangements with **multiple orchid flowers from a single plant** (any genus; an example would be a stem of Phalaenopsis or Dendrobium flowers)
- A-3. Arrangements with **multiple orchid flowers from multiple genera** (any genus; these could include mixed genera, mixed colors from the same genus, etc.)
